

The Post Journal

Quarterly Newsletter of The American Legion NV Post 76, "The Spirit of Freedom"

ISSUE 50 — October — December 2024

GOODBYE TO TONY MASCARI

Tony Mascari, one of our recent past Post Commanders and Director of Post 76, is moving to Florida.

The Post thanks you for stepping up and taking over the Post after a previous Post Commander resigned mid-way through 2019 and for being elected Commander in 2020 and 2021 and having two adjutants to keep you on the straight and narrow. Your arranging for ZOOM Meetings during the COVID pandemic allowed the post to continue in the face of adversity. Many other organizations went into hibernation. Your leadership helped make this Post what it is today. 3rd largest Post in the Department of Nevada with a current roster of 770 members, 3rd in PUFLs, 2nd in new members recruited and 2nd in renewals.

Thank you for your Leadership, Dedication to the Post to the American Legion and your friendship. In addition to Commander Forman, we all wish you "Fair Winds & Following Seas".

In addition to the presentation of a plaque from the Post by Commander Forman recognizing his contributions to our Post, Tony received a hand-made commemorative Navy bracelet from Legionnaire Dr. Michael Romero.

POST 76 ATTENDS USAF WARFARE CENTER CHANGE-OF-COMMAND

Post 76 had the honor of an invitation to attend a Change-of-Command ceremony at Nellis Air Force Base (AFB) recently. The US Air Force Warfare Center (USAFWC) at Nellis AFB sponsored the event to install Major General Christopher J. Niemi as the new USAFWC Commander. He replaces Major General Case A. Cunningham. The guidon, the symbolic flag indicating all the authority of the incoming commander, was passed by General Ken S. Wilsbach, who is Commander, Air Combat Command.

Left to Right: Adjutant Daugherty, Maj. Gen. Niemi, Mrs. Niemi, Commander Forman

The ceremony was held at the Thunderbird hangar at Nellis AFB, 2 August 2024. The dignified ceremony was well attended by a host of active duty USAF personnel, as well as numerous local civilian, political, and state dignitaries. A reception was held at the Club on Nellis AFB afterward.

Attendance at the ceremony continues Post 76 efforts to establish a lasting relationship with the numerous military organizations at Nellis AFB, as well as Creech AFB in Indian Springs, NV.

COMMANDERS MESSAGE

Despite all the dog gone Dog Days of this summer, your Post has continued to be active in the community. Our Color Guard has been active in events on the Strip and elsewhere in the valley. We have many events scheduled in September including the District 2 meeting in Laughlin.

Membership, with the \$5.00 dues increase from National, is still anybody's guess how it will affect our renewals. So far, we are slightly behind where we were last year at this time. So, if you have not renewed for 2025, this is a good time to do so.

Jack Ford

Congratulations to **Director Jack Ford, PPC, PDC** on being named **National V. A. Volunteer of The Year**. Post 76 is proud to have Jack as a member.

Your Post was, once again, recognized by the City of Las Vegas for our efforts in saving the Veterans Monuments at the now closed Grand Sawyer Building and moving them to Thunderbird Park. Along with the Post are members Brendan Vargas, and MOPH Commander Vince Palmieri. Thanks to member Dr. Mike Romero for standing in for me while I was at my granddaughter's wedding in beautiful rural Minden NV.

I ask those members who can come early to our General Meetings to help set up the room, and to stay a few minutes later to help move the tables and chairs the way we find them. It just is not fair for the same 3 or 4 members to be doing this all the time.

Joel Forman, Commander

RADIO CLUB

Our net, that operates on Mondays, starting at 1900 hrs., sponsored by Post 76 is on the Las Vegas Radio Amateur Club frequency of 146.940 VHF and 448.500 UHF, Standard negative offset 5hz, PL tone of 100 HZ. VHF & UHF linked all days, all hours.

Larry Eisenberg, Post 76 Director – call sign W7LSE

THE ADJUTANT'S PEN

General meetings: The Post 76 General Meeting is your gateway to American Legion happenings around the Las Vegas Valley. Here you can rub elbows with veterans from every US military service and enjoy their camaraderie, get an update on Veterans benefits and support from our monthly Guest Speaker Program, and learn what activities Post 76 is getting involved with. It's also the place you can make suggestions to help us to provide you the kind of meeting and activities that will make you feel good about paying your annual dues. Come to the meetings every 3rd Sunday of the month at the CenterWell Senior Primary Care facility, 4919 W Craig Rd --you'll be glad you did.

Membership factoids: With the publication of this Newsletter, the 2025 dues year membership renewal is well underway. Invoices from American Legion National Headquarters were mailed beginning about 1 July 2024. Legionnaires who submit their payments before 12 Sept 2024 get a distinctive, red Early Bird stamp on their new ID cards. Since the Post 76 fiscal year begins 1 July, early payments also help keep the finance balance sheets healthy.

Dues invoices are also mailed approximately every 6 weeks to those members who have not yet renewed. There is always an unavoidable time delay from when you renew your membership online or by mail and when you get your renewal logged at Headquarters; so, you may receive another dues invoice, even though you know you've paid. All Legionnaires who have renewed their membership receive a Welcome Letter from the Post 76 Commander with their new member ID Card. **This is your receipt for payment of dues, and you know you can ignore any subsequent dues invoices.**

Stephen Daugherty, Adjutant

This is a new column that our membership can submit to focus on issues related to their fellow veterans, their families, children, or active duty military.

As a proud 35-year Army veteran who has served in Korea, Vietnam, and behind the Iron Curtain, I am deeply invested in supporting veterans and veteran organizations. That’s why I am proud to stand by the Tunnel to Towers Foundation’s Program to address veteran homelessness with dignity and am thrilled that they are proposing a permanent housing complex in North Las Vegas. We, in Southern Nevada, know the growing risk of housing insecurity faced by so many veterans in this community must be addressed.

According to a report from Deputy Secretary Tanya Bradsher of the North Las Vegas Veterans Affairs Medical Center, Las Vegas has the second largest number of unhoused veterans in the United States. Supporting Tunnel to Towers’ 100-unit permanent apartment complex for veterans in need of services to be immediately adjacent to the V.A. hospital, represents a critical opportunity to make a substantial impact on the lives of those who have bravely served our nation.

Tunnel to Towers has long been a beacon of hope for our veterans through their comprehensive approach of addressing the multifaceted challenges facing our heroes, whether it be providing mortgage-free homes for catastrophically injured veterans, the families of Fallen First Responders, our Gold Star families, or providing resources and support to veterans who are financially or emotionally struggling. Their mission to provide high-quality housing, essential services on a 24/7 basis, and community support near V.A. hospitals and clinics across the country, aligns seamlessly with the pressing needs of Nevada’s veteran population. The proposed permanent housing complex - at risk of garnering enough political support to change the lives of these at-risk veterans, the most vulnerable population of our nation’s heroes - in North Las Vegas is not merely a home for our veterans, but a lifeline that promises to transform and sustain lives of those who have served and sacrificed for our freedom. These veterans could otherwise join the growing number of unhoused individuals that are homeless, in our parks, in our grocery store parking lots, and live undignified lives. Haven’t they sacrificed enough?

The reality of veteran homelessness is a poignant reminder of the sacrifices made by those who wore the Nation’s uniform. These individuals, who once defended our freedoms, now face the harsh reality of inadequate housing and support. The North Las Vegas Tunnel to Towers Veterans Village will offer more than just a roof; it will provide a comprehensive support system that includes job training, case management, financial literacy, entitlements assistance, legal advocacy, recreational activities, PTSD and mental health services, and assistance with reintegration into civilian life. This holistic approach is vital for addressing the root causes of homelessness and ensuring long-term stability for our veterans.

Moreover, the establishment of this Tunnel to Towers Veterans Village will have far-reaching benefits beyond the immediate aid it provides. It will create job opportunities, stimulate the local economy, and enhance community engagement. It will also assist the families of veterans who are either struggling with homelessness or about to become homeless, through the Tunnel to Towers Foundation’s robust National Case Management Network. By fostering a supportive environment, it will encourage other initiatives and partnerships aimed at eradicating veteran homelessness. This project embodies a commitment to not only addressing the immediate needs of our veterans but also creating a model for similar efforts nationwide.

Supporting Tunnel to Towers’ North Las Vegas Program is an opportunity to show our collective gratitude and respect for the men and women who have sacrificed so much. It is a chance to turn our appreciation into action, ensuring that those who defended our country are given the support and dignity they rightfully deserve.

As we rally behind this initiative and support this housing project moving forward in the City of North Las Vegas, let us remember that our veterans are not just beneficiaries of charity—they are valued members of our community who have earned our unwavering support. Let’s seize this moment to make a real difference and honor our heroes by backing this crucial project.

Joseph “Jay” Sweeney, Command Sergeant Major, US Army (Retired)

SOCK IT 2UM 2024

Seven years ago, “The Spirit of Freedom” Post 76 members initiated a community support program for our homeless veterans. Our aim then and now is to provide clean, warm socks for our homeless Brothers and Sisters during the chilly winter months here in the Las Vegas valley. The thought of Cold chilling winds whipping through our concrete canyons might be hard to imagine as we start coming off months of soaring triple-digit temperatures. But, as night follows day, winter will come, so now is the time for us to start seeking your support for this meaningful project. We need to order our sock supply well in advance of December so that we will be able to receive and distribute them through the VA Healthcare system in time for Christmas.

Socks are the #1 clothing need of those experiencing homelessness. The **Sock It 2Um Campaign** aims to place new socks on the feet of men, women, and children who are in need. You are asked to please participate by becoming a “**Sock It 2Um Ambassador**”. You can do that by sharing information about this program with your friends and neighbors as well as on your social media platform. Financial donations should be made payable to:

Spirit of Freedom, Post 76 and mailed to The American Legion, Post 76 at P.O. Box 34012, Las Vegas, NV 89133-4012. Please indicate for Sock it 2 Um on the comment space. Thank you for your consideration and support.

Jack L. Ford, PDC, Program Chairman, “Spirit of Freedom” Post 76

POST 76 COLOR GUARD ALIVE AND WELL

The Post 76 Color Guard continues its mission to spread patriotism and the American Legion spirit around the Las Vegas valley. From conventions on the Las Vegas strip, to Veterans' and family support venues, to Nevada Department of Veterans Support (NDVS) Veterans in Care (VIC) events, to support of training and family support activities at the Nevada National Guard Armory, the intrepid Post 76 Color Guard Legionnaires presented the US and American flags at 22 ceremonies during the last 12 months.

The Color Guard symbolizes to the community our citizens' freedoms and sacrifices from the men and women who defend(ed) our country—it represents the service of our Armed Forces men and women. Regardless of rain, snow, heat, or wind, the troupe is always willing to carry out this mission. They band together, many times on short notice, to work as a team for this common goal. Of course, a real plus is the recognition of Post 76 in the community and the potential for recruiting new members.

There are slots open now for anyone who desires to join the Color Guard and ensure its future success. See the Color Guard Captain, Legionnaire — Walter Cheatham [contact info on first page].

BSA ACTIVITIES

The Summerlin Patriot Parade celebrated 30 years of marking the 4th of July.

For **20 years**, American Legion Post 76 participated in the Summerlin Patriotic Parade.

This year, even though the heat was intense this year, causing many of the senior legionnaires that normally attend to not march this year, we were well represented by our Cub Scout Pack and our two Scout Troops. Most of scouts formed an noteworthy color guard to lead the entry, whereas the remaining cubs rode on a trailer. An award was made for **outstanding participation and display of patriotism** from the parade sponsor, the Summerlin Council.

They were joined for the first time this year by soldiers (and some families) and their massive vehicles of the 257th US Army Reserve Transportation Company which is located at the Nellis US Air Force Base. The first pictured vehicle is a HET (Heavy Equipment Transporter) and the next, displaying the Post 76 banner, is a MTV (Medium Tactical Vehicle).

Community Pride Shines at Summerlin's 30th Patriotic Parade by: John and Katie D. Scouts- T312 LVAC

Thursday morning saw the streets of Summerlin come alive as thousands gathered for the 30th annual Summerlin Council Patriotic Parade. Among the excited crowd were members of Troop 312 Scouts and their families, continuing their yearly tradition of attending this much-anticipated event. The parade is a staple in the community, drawing people of all ages to celebrate together.

Hillpointe Drive was a dazzling display of red, white, and blue as floats, classic cars, and giant balloons paraded down the street. Over the years, this event has transformed from a simple gathering of a few kids on bikes to the largest Independence Day parade in the valley. The excitement in the air was palpable as spectators cheered for the impressive lineup.

Summer Camp by: John R. Scouts- T312 LVAC

This year troop 312 went to summer camp at Chawanee in California. Our second year back at this summer camp. We went Saturday to Saturday. Most scouts who went this year were new to going to summer camp, but they still enjoyed it. There were many activities and plenty of merit badges to earn. Each scout had something to do that they'd enjoy. Even if it was playing chess or reading a book at camp.

Each day was something new. Either a new badge earned, a new friend, and completing something you think you'd never do. One of the activities was the canoe outpost. We would get in a canoe then go to a tiny rock island for an hour and come back. Another activity there was service hours, but not any type of service hours, it was working with horses. The troop spent most their time with the horses riding, grooming, and feeding them.

Every day there was something new accomplished even if it was a single scout, a tiny group of them, or our whole troop. We always got things done and had fun while doing it. At the end of the week, we went to a closing campfire and got honor troop and spirit arrow for completing task throughout that whole week. We got spirit arrow for being a good troop and staying positive and always having spirit throughout the whole week.

YOUR SUPPORT IS NEEDED !!!

Now that the extreme heat levels have subsided have you had enough just sitting around the house watching stupid political ads and dumb daytime programs on TV, or just getting in your spouse's, (male or female) hair, the solution is here! Volunteer at the VA Hospital or at one of the VA Clinics near your home. Roam the facility as a "VA Ambassador", helping other Veterans find the resources they need, or as an Information Desk volunteer directing them to the area where they need to be. You can deliver mail, send out appointment reminders, drive a Comfort Cart, assist in the Canteen Services, or be a Fisher House Assistant. A big plus is that you will be important in helping our Veterans have a more comfortable and pleasant VA visit. There is also a need for Guitar and Creative Art Instructors. Whatever your interest or passion is, there is likely a place waiting for you. If you have an interest in volunteering, please contact:

Jack Ford, PDC at, ACChief@aol.com or cell # 702-493-2252

- Annuities for retirement purposes

They are contracted with numerous insurance companies in order to find the best match to the individual.

Flanagan Financial LV commits to tailoring every clients individual needs by examining the desires, wants, and needs of the family.

LAS VEGAS VETERANS RESIDENCE

The Tunnel to Towers Foundation is committed to eradicating veteran homelessness by providing housing assistance and services to veterans in need across the United States.

Perfectly situated near the VA's North Las Vegas Medical Center, the Tunnel to Towers Foundation plans to build a **112 Unit Veterans Residence** at 3470 E Centennial Pkwy, North Las Vegas, NV 89081.

It isn't enough just to house these heroes, each of our Residences offer 24/7 comprehensive supportive services: Outreach, Case Management, Employment Assistance, Job Training, Benefits Assistance, Education Assistance, Financial/Budget Management, Legal Advocacy, Life Skills Training, Medical Care Access & Navigation, Mental Health Support & Counseling, Recovery Support Groups, Peer Support, Basic Needs Support, Transportation Support/ Resources, Meal Support/Resources, & Social/Recreational/ Cultural Activities.

Amenities for the Residence will include a basketball court, dog parks, gyms, game rooms, pantries, canteens, movie rooms, workforce development centers, and more.

So far this year over 4,000 veterans & over 1,500 children have been provided with housing assistance and access to much needed services.

Born from the tragedy of 9/11, the Tunnel to Towers Foundation carries out its mission to "do good," by providing mortgage-free homes to Gold Star and fallen first responder families with young children and by building specially adapted smart homes for catastrophically injured veterans and first responders. Tunnel to Towers is also committed to eradicating veteran homelessness and helping America Never Forget September 11, 2001.

You are a member of an organization chartered by Congress in 1919 as a patriotic veterans organization. Focusing on service to veterans, servicemembers and communities, the Legion evolved from a group of war-weary veterans of World War I into today, one of the most influential nonprofit groups in the United States.
